Release date - 09072019

Further to its new release dated June 5, 2019, Quisitive Technology Solutions Inc. ('Quisitive' or the 'Company') (TSXV: QUIS), a Microsoft solutions provider, announces that it has completed a non-brokered private placement financing of 750,000 common shares of the Company (the 'Common Shares') at a price of \$0.20 per Common Share for gross proceeds of \$150,000 (the 'Offering').

... Quisitive is empowering the enterprise to navigate the ever-changing technology climate their business relies upon. Helping customers harness the power of the Microsoft cloud and innovative technologies such as **blockchain**, artificial intelligence, machine learning, and the Internet of Things (IoT) through customized solutions and first-party cloud-based products. Quisitive was honored as the 2019 Microsoft United...
