Leading Provider of Contract Management in the Cloud Recognized for Innovation and Implementation Excellence of Customer Solutions Based on Microsoft Technology

BELLEVUE, Wash., July 11, 2019 /PRNewswire/ — Icertis, the leading provider of enterprise contract management in the cloud, today announced it has been awarded with three coveted awards from Microsoft:

...

... Services to stitch together several cognitive skills (Text Analytics, Bing Entity Search API, Translator Text API and others) and a recently announced partnership to expand the application of **blockchain** and distributed ledger technology to contract management.

...

...leading manufacturers including 3M, BASF, Boeing, Mercedes-Benz Cars, and Vallen. Additionally, the company was named a top Alliance Global ISV partner for its work with Microsoft on the Icertis **Blockchain** Framework and AI, as well as a top partner in Global Automotive for its work with leading automotive organizations including Daimler and Porsche.
