Good day. Entrepreneur Lisa Wang saw firsthand how female founders were at a disadvantage trying to raise venture capital, so she did something about it. She organized.

Ms. Wang in 2015 co-founded a company called SheWorx to provide women with networking, collaboration and community resources to help them learn from women, primarily, who were successful as founders or investors.

...

Anchorage, a San Francisco-based custody provider for crypto assets, raised \$40 million in Series B funding led by **Blockchain** Capital, with participation from Visa Inc. and existing investors including Andreessen Horowitz. <https://anchorage.com>.
